Dear Jack

Future of Education Other Than At School Services

At a meeting of the Education Inclusion Scrutiny Inquiry panel on the 3 January we heard about the part you played, in your role as Chief Executive, in helping in the drive to extensively overhaul the entire education other than at school service.

We are writing to you in recognition of your efforts and to show our appreciation in keeping this issue high on the council agenda of priorities, ensuring a corporate approach to driving this issue and for finding funding from very tight budgets. We would like to thank you for your contribution to this important agenda.

Yours sincerely

Cheryl Philpott
