Economic Development and External Funding

Support and opportunities
Economic Development and External Funding Team

Economic Development

Relaunching Regeneration Partnership 2 May

Aiming to engage district and local centres across the County

Working closely with Business Wales to develop tailored business support

Supporting the drafting of the City Deal 5 case business plan

Social benefits and procurement
Economic Development and External Funding Team

External Funding

Development and back office support for significant external funding:

- European Regional Development Fund: Kingsway infrastructure, Building for the Future programme
- European Social Fund: Workways+, Communities for Work, Cynydd, Cam nesa – all age support to get people into skills and work
- Rural Development Plan
- Fisheries
- Gower Landscape Partnership
- Hafod Copperworks
Economic Development and External Funding Team

New opportunities

Welsh Government Targeted Regeneration & Investment Programme (TRI)

- Capital investment in City Centre through Tawe corridor to Morriston
- Property enhancement and homes above shops
- Potential for major investments in place-making – Swansea Market; Copperworks
- Swansea is regional lead for the programme
- Starting from July 2018
