

## **ADDENDUM**

### **Update to the preliminary flood risk assessment report for Swansea Council**

The preliminary flood risk assessment (PFRA) for Swansea Council was reviewed during 2017, using all relevant current flood risk data and information, and agreed with Natural Resources Wales on 27<sup>TH</sup> October 2017.

The below statements describe the review of the assessment of risk since the preliminary assessment report was published in 2011.

#### **Past flood risk**

There has been a review of flooding experienced since the publication of the first Preliminary Flood Risk Assessment Report in 2011 and there have been no floods experienced that caused locally significant harmful consequences.

#### **Future flood risk**

There has been no new information identified since the publication of the first Preliminary Flood Risk Assessment Report in 2011 that has led to a change in understanding of future flood risk.

#### **Flood risk areas (FRAs)**

The cycle 1 FRAs in Wales will be reviewed as part of a detailed consolidated PFRA that will cover all sources of flood risk by 22<sup>nd</sup> December 2018.
